MEMORANDUM FOR THE CHIEF, PIS.

Subject: Pacific Military Intelligence Research
Section (Pacific MIRS)

1. Reference is made to your memorandum of 26 July on the above subject.

2. Tentative decision has been made to place the Pacific MIRS at Camp Ritchie, Maryland in view of the large amount of money that would be required to house the installation at Fort Hunt.

2. In view of the necessity for retaining the personnel and documents here for the time being, as reported to me by Colonel Lovell, the establishment of this installation at Camp Ritchie will not be made until orders are issued by G-2.
